Oceanico O,CONNOR COURSE

Course Information

Perfectly complimenting the Faldo Course, whilst taking advantage of the rich valley soil, in contrast to the acrid hillside, this course offers no less of a challenge, requiring accurate play. The front nine encounter a number of lakes, the third being recognized by a Moorish relic situated on an island in the adjacent lake. Large bodies of water and meandering water course will test the players all the way to the 18th Hole. Assaulting the hillside in front of the clubhouse, this final hole will require players to drive with accuracy to set up the approach shot to a two tier green benched into the hillside.
