

PARQUE Da FLORESTA

Holes: 18. Par (SSS) 72 (72) Metres White 5,587, Yellow 5,191 Red 4,532

Just 15 minutes beyond the Historic town of Lagos, this is the most westerly Algarve course. The Landscape is totally different: hilly, with cistus bushes as far as the eye can see (in early spring the area is blanketed with white flowers). The course is crafted through valleys and over the inland hills to the north. The shimmering Atlantic is to the south.
