## OITAVOS DUNES

### **Course Information**

*Our goal was to create one of the finest golf experiences in Europe, all within the elegant natural framework inherent to Quinta da Marinha Opportunities such as this are rare. We felt that with this site so rich in innate beauty, each hole must fit ideally in the setting, thus assuring a natural appearance with variety and charm.*

*The routing is a continuous loop of holes, nine out nine in, similar to linksland courses in Scotland. The sequence is an undisturbed golf experience from start to finish. Distant views of Atlantic Ocean and the nearby Sintra Mountain are distinguishable from every hole. We are proud to say that each hole contributes to a cohesive statement and unique golf experience that is known as Quinta da Marinha Oitavos Golfe. ( Arthur Hill s- Designer )*
